1. A consolidation of the balance sheets of institutions within the banking sector, i.e. the South African Reserve Bank, commercial banks, merchant banks, the National Finance Corporation, discount houses and the short-term business of the Land Bank, and other banking institutions of which the monthly average amount of demand deposit liabilities during the preceding calendar year amounted to at least R3,000,000 (up to the end of 1970: R1,000,000) and of which the monthly average amount of short and medium-term deposit liabilities during the preceding calendar year collectively amounted to at least one-third of the total deposit liabilities of such an institution or at least R30,000,000. Coin in circulation is included in this consolidation. In circulation outside the banking sector.

3. Demand deposits with the banking sector excluding foreign deposits and government deposits.

4. Short-term deposits (other than demand deposits) and medium-term deposits (including savings deposits) with the banking sector, excluding foreign deposits and government deposits.

5. Excluding foreign deposits and government deposits.

6. "Government" consists of the South African Central Government (including the Public Debt Commissioners but excluding the S.A.R. and, from April 1969, the Post Office), provincial administrations, the Administration of South West Africa and the Government of the Transkei. All transfers to Stabilization Account are also included.
